

Christian Biago

GRAPHIC DESIGNER

ABOUT ME

Graphic Designer specializing in technical pre-press and production-ready file preparation for print and digital media. Experienced in layout specifications including dimensions, color profiles, and formatting for large-format signage, billboards, and marketing collaterals to ensure high-quality physical output. I bridge the gap between creative vision and technical execution by combining meticulous attention to detail with skills in branding, social media creatives, and short-form video content. Committed to delivering professional, adaptable design solutions that meet diverse client and production requirements.

ME

EXPERIENCE

LGU SUITE - CAINTA RIZAL

- **Visual Identity Development:** Conceptualized and designed original logos and cohesive branding assets, providing clients with professional brand mockups for real-world application.
- **Motion & Video Editing:** Created engaging logo animations and short-form video edits for social media campaigns and event promotions.
- **Event Collateral:** Designed a variety of marketing materials, ensuring visual consistency **across all physical and digital platforms**.

MK AND AK DESIGNS CORP. | Bacoar, Cavite

- **Branding & Identity:** Conceptualized and developed original visual identities, including the official corporate logo for MK and AK Designs and specialized branding for local coffee shop startups.
- **Marketing & Print Solutions:** Produced high-impact marketing materials and commercial print collaterals, ensuring all layouts were presented via realistic 3D mockups for client approval.
- **Production-Ready Layouts:** Managed the technical preparation of signage and billboards, verifying all files met exact dimensions and color profiles for professional production.
- **Short-Form Content:** Created and edited short-form video content and social media creatives to promote the company's marketing and printing solutions.

ADVANCE CREDIT CORP. / ADVANCE MICROFINANCING | Quezon City

- **Promotional Design:** Developed and laid out marketing materials including flyers, posters, and tarpaulins for corporate events and financial promotions.
- **Brand Application:** Applied consistent branding across all event collaterals to support local branch marketing efforts.
- **Technical Support:** Managed core IT and administrative tasks while serving as the primary internal resource for graphic design needs.

TRIPHIL PHILIPPINES | Muntinlupa City

- Product Graphic Design: Designed and executed technical layouts for baseball glove graphics, utilizing digital mockups to visualize placement and scale before manufacturing.
- Standard Operating Procedures: Authored a comprehensive Digitizing Procedure Production Manual for Rawlings to standardize internal workflows and ensure consistent quality.

TECHNICAL SKILLS
